

FROM Robert Samuel White
TO Kyle Kennedy
CC Governor Kotek
DATE October 21, 2026, 8:41 PM PT
SUBJECT **Question**

Captain Kyle Kennedy,

How is what you did different from swatting someone?

Someone didn't like my speech and used you to send three armed men to my door.

You manufactured a threat. You did not investigate one. You manufactured one.

How is that different from swatting?
