This isn't going away. Your exact words. You will provide me with the contact information of the officers you brought here or you will become part of the record. Would you like a photo of the restricted sign at the entrance of this gate you apparently didn't notice? The one that cites 36 CFR 261.9(E)?

Who is this?

Robert Samuel White. The person you hung up on five minutes ago. The person you called on this line on the 24th to intimidate. The person you brought two other cops to restricted federal land to intimidate. That's who this is.
